

1958 - 59 (Continued)

On Nov. 16, 1958 the Wasatch Stake was reorganized. President H. Clay Cummings, Nephi Probst, Welby Young, and Brother Floyd Kinsey were released. They had all served long and well, particularly Presidents Cummings and Probst who were sustained in 1939 and served for 19 years. President Cummings had been a Councillor to Pres. Broadbent some six years before he assumed the presidency of the Stake.

President J. Harold Call became our new Stake President, with Wayne C. Whiting and Ralph T. Carlile as councillors. E. A. Jacobsen and Clark Crook are the new clerks. Most of the high council was released etc.

1959 - 60

Teachers again this year were Richard H. Magleby and Grant H. Elliott. Seminary officers were Bwayne Watson - President, Arlin Kohler - Vice Pres., Shauna Rollins - Sec., Annette Van Wagoner - Historian, Kaye Carlile N.T. Rep., and Richard Nielson -- O.T. Representative.

Enrollment totaled 122 Old Testament, 107 New Testament, 110 C. Hist., and 16 Book of Mormon (4th year) students). The Book of Mormon course was made possible this year by the shift to a 7 period day by the High School. Our total enrollment was 355. A large graduation included 93 students plus 8 4th year certificates for those having previously graduated.

New equipment this year included draw curtains for both rooms, a new classroom desk upstairs, another typewriter, a record player stand, a wall screen for upstairs, and a few more O.T. and N.T. film strips with records, plus a few new books and teaching aids. (One set of curtains were purchased by the stake, and the other from profits received at the graduation dance sponsored by the 1959 graduating class.)

All classes participated in another L.D.S. quiz game selling project which enabled us to purchase the many needed items mentioned. We sold three

1959 - 60 (Continued)

games called Zion, Exaltation, and Mormon Baseball.

Wall-tex bulletin boards were put in by the teachers to cover the hole in the wall in the East hall and the door of the main hall, and the rear wall upstairs. All boards were newly painted green.

Activities included a successful fall hay-ride, our annual district social and testimony meeting at B.Y.U. for graduates and a special one-day trip for graduates to big mountain, little mountain, Ben Hur picture show at the Center Theatre, and Welfare Square.

At contract time we were informed that Brother Grant H. Elliott was to be transferred to the Kaysville Seminary at Davis High School. He had completed six successful teaching years here at Wasatch, two of which he served as principal. Brother Elliott bought a new home in the North Bountiful.

1960-1961

Arthur R. Bassett came to teach with R. H. Magleby. He is from St. Anthony, Idaho and has just completed his B.S. degree at B.Y.U.

Seminary officers this year are:

J.R. Wall, president

Kaye Carlile, vice-president

Patsy Hilton, secretary

Claudia Smith, historian

Joyce Hiatt, N.T. representative

Karolyn Kohler, O.T. representative

Total enrollment this year included:

98 O.T. 100 N.T. 71 C.H. 12 R.M. or 281 total

Graduates totaled 70 with an additional 8 receiving fourth year certificates.

Special activities included a fall hay ride with four wagons loaded with approximately 150 students, a cooperating trip to a state legislature session with the high school which included our annual-district program, social, and testimony meeting at B.Y.U., a book selling project, and missionary news letter. (\$1.00 was enclosed in each of 43 letters.) Money was partly contributed and supplemented by book-sale profits.

Bishop Harold Smith at the Exchange cooperated with us and we selected six books for our project. Profits from these sales enabled us to make our \$1.00 each missionary contribution at Christmas time, (From which we received many thank you letters), and buy shelves for our new library set up, plus a file cabinet, two more new sets of N.T. filmstrips with records etc. A little money is still available from this project for books or other needed items.

Our library set up was a cooperation venture with the county library. We had space which they lacked, so the shop boys built us some shelves and we let the library set up the check out system. This is very desirable for us as it gives us a library and handy access to many more books. Our

seminary books are clearly stamped and labeled but mixed with the others to make a more complete unit and provide us with a check-out system.

(It seems we have a hard time keeping check on our books with the many meetings held here and people in and out all the time.)

Our year ended successfully. Brother Mapleby is accepting a sabbatical leave and Brother Jay M. Todd has been sent to teach next year.

1960-63

There is very little history available at the Seminary for this period of time. Brother Richard H. Magleby was Principal during the school year 1960-61. Arthur R. Bassett was the other teacher.

There were 70 third year graduates and 6 fourth year graduates. The theme of the graduation was "A Religious Worth Living" and a skit was presented by the graduates as part of the program. Seminary officers were:

J. R. Wall--Pres.
Kaye Carlile--Vice Pres
Patsy Hilton--Sec.
Claudia Smith--Hist.

Brother Arthur R. Bassett became the Principal starting the fall school year 1961-62. Brother Jay M. Todd joined him as the other teacher this year. There were 84 third year graduates and 12 fourth year graduates. The fourth year program being quite new is becoming more popular and is gaining more emphasis from the department. A very nice graduation program was presented with many of the graduates taking part in music, speech and drama. Seminary officers for the year were:

Paul Bennett and Phil Wright--Co Presidents
Marie Carlson--Sec.
Barbara Cluff--Social Chairman

Brother Bassett remained Principal during the 1962-63 school year. Enrollment was increased during this year so that another teacher was added to the faculty in addition to Brother Bassett and Brother Todd. Brother Rex. C. Reeve from Salt Lake became a new member of our faculty.

There was a large graduation held this year with 77 third year graduates and 36 Fourth year graduates. Many students participated in the graduation program called "Age of Destiny".

Seminary Officers for the year were:

Dale Hicken--Pres.
Harvey Horner--V. Pres.
Annette Young--Secretary
Charlotte Cochran--Social Chairman
